**MEMBERSHIP**

Membership in KCSC is available to persons in good standing with the American Kennel Club, and who subscribe to the objectives of the Keeshond Club of So. California. There are three types of membership: Regular membership, open to persons eighteen years of age and older; Associate membership, available to persons eighteen years of age and older; and Junior membership, open to persons ten through seventeen years of age. Junior Members and Associate Members shall enjoy full membership privileges, with the exception of voting and holding offices. Associate Membership is for those people who want to belong to the club, but will probably be unable to attend meetings often.

**MEETINGS AND "KEES KOMMENTS"**

Club meetings usually are held monthly, often at show sites after Keeshond judging. The club bulletin, "Kees Komments," is mailed to all members each month and/or sent electronically through the Internet, and meeting information is included. All members are welcome to advertise in "Kees Komments," following regulations set forth by the Board of Directors.

Please mail your check with your application to the Membership Chairman. Make all checks payable to The Keeshond Club of Southern California, Inc. Following attendance at two meetings and publication of your name in the monthly bulletin, your membership is subject to Board approval.
